Press Release

The best of the best in the Real Estate Industry:

In February 2016, Toscana Landhäuser GmbH from Ulm was awarded the BELLEVUE BEST PROPERTY AGENTS 2016 prize in Hamburg.

Hamburg, Feb 2016

This award is regarded as the highest accolade: Since 2006, Bellevue has been characterized as Europe's biggest Real Estate Magazine, presenting the prestigious award of *Best Property Agents* every year to real estate companies from Germany and all over the world. This year, in the awards eleventh year running, **Toscana Landhäuser GmbH** from Ulm has had the honor of receiving this coveted award.

The award *Bellevue Best Property Agents* is the only independent seal of quality in the real estate sector for service and is highly reputed both nationally and internationally. Every year, a six-member jury of renowned professionals from the real estate industry and Bellevue editors review companies hoping to earn this award. Stringent criteria include reliability and experience, objective advice, market knowledge, diversity and quality, as well as after-sales services.

Corinna Hohmuth, Toscana Landhäuser GmbH: "We are delighted with this award and are very proud that our work has been recognized so prominently in this way. It is an honorable recognition of our many years of work, our broad expertise and our special customer service."
